Mayor Taft's Message

Almost every year the District of Invermere council & staff prepare a survey on budget priorities and host a public meeting to get the feedback from residents and rate payers and almost every year the same very small group of dedicated people provide input. The reality is that many people find the idea of learning about and providing input on municipal finances about as exciting and engaging as having a root canal or spending time with the in-laws.

This year council is trying something different, on November 10th council and staff will be visiting the Invermere Bakery, the Bistro Restaurant, and Circle Café to solicit input, feedback, and generally explain all things budget and council related.

Also, don't forget to enjoy another great 'Light Up' night on Saturday November 19th!

District of Invermere residents are invited to have coffee with Council Members to discuss budget and other topics of interest. This is a relaxed, comfortable forum for residents to meet members of Council and to ask questions, discuss issues of interest in our community and offer suggestions; a chance to say what's on your mind.
