## **RE: INDUSTRIAL PARK TRANSFER STATION**

---

The new animal resistant bins at the transfer station have been well received and for the most part have been successful.

There has been a great deal of use at the transfer station over the past month and partly due to the misuse of it we will be closing the transfer station for a couple of days starting Wednesday, May 10<sup>th</sup> to cleanup and add gravel to the area.

Due to the misuse of the transfer station we wish to remind people that if it is not household garbage please bring it to the Regional District Landfill in Windermere. This includes but is not limited to tires, propane or helium tanks, appliances, yard waste, furniture and electronics

If anyone has any questions please contact the District of Invermere at 250-342-9281.

If you have any questions or would like more details, please visit the Municipal Office or the website at [www.invermere.net](http://www.invermere.net).
