### **Water Conservation Bylaw Information**

The Water Conservation Bylaw applies to any customer of the District of Invermere

- **Trees, shrubs, vegetable and flower gardens** may be watered by hand using a hose with a shut-off device or hand held container, or micro/drip irrigation system, on any day at any time.
- **Trees, shrubs, vegetable and flower gardens** may be watered with a sprinkler only during the designated watering times.
- The Water Conservation Bylaw prohibits the waste of water, caused by, but not limited to, the damage or deterioration of any water-using appliance that results in water waste, or using more water than required to provide a service or complete a task, including over watering plants, and allowing a tap or hose to run unnecessarily.
