

## **District of Invermere** **2019 Budget**

Residents have the opportunity to have direct input into the budget and the future financial decisions for the District of Invermere. Take the time to inform yourself and take the time to provide your perspective to your elected council members. Please consider attending a budget open house session, or have a cup of coffee with council during our upcoming coffee sessions- if you need more motivation to attend just consider this- your tax dollars are buying that coffee, so come drink it and learn more.
