

Public Notice

Fire Ban

The District of Invermere is suspending all outdoor burning as of Thursday, July 26 at 1pm. This campfire ban is a result of the exceptional weather that we are currently experiencing and the extremely dry conditions that have resulted.

The ban includes:

- all open fires of any size, including campfires, cooking fires and outdoor burning.
- stubble or grass fires of any size over any area.
- the use of fireworks, sky lanterns, tiki torches, chimineas, burning barrels or burning cages of any size or description.
- the use of binary exploding targets (e.g. for target practice).

This prohibition does not include the ban of propane, natural gas or briquette fired cooking appliances, or to a CSA or ULC certified portable campfire device that uses propane, natural gas or briquettes.

please contact the Invermere Fire Department at 250-342-3200 if you have any questions.
